We'll play scenes from **Hamilton's America**, the documentary that shows Lin-Manuel Miranda and his colleagues during the two years leading up to the Broadway opening of the award-winning musical. We'll also have some sweet swag, door prizes and a creative costume contest with a fabulous prize! Visit unctv.org/hamiltonsamerica for details. We hope you'll do your patriotic duty and join in on all the fun, but if you can't, be sure to catch **Hamilton's America** on UNC-TV Friday, October 21, at 9 PM.

POP A CORK FOR FLAVORFUL & FULL-BODIED NEW SHOWS...

Flavor, NC Returns & From the Vineyard Premieres Sunday, October 2!

Get ready for more gastronomic jaunts across our state on the fresh new season of **Flavor, NC**, premiering Sunday, October 2, at 12:30 PM. Join Lisa Prince as she visits the producers of all the delicious goodness that grows in North Carolina. Lisa not only gets their stories, she gets into the thick of what it takes to get the food from ground and water to your table. In this new sixth season, Lisa showcases our state's agribusiness—from bison to bass, plus an abundance of veggies—all with a locavore focus.

Then, at 1:30 PM, enjoy the premiere of **From the Vineyard**. In the early 20th century, until Prohibition, North Carolina led the nation in wine production. We're on the upswing again—our 180 wineries put us as the 10th-largest grape and wine producer in the nation. With a diverse, mineral-rich microclimate, our state provides an ideal location to grow the succulent fruit that tempts our taste buds with everything from simple healthy snacks and down-home jams, to magnificent award-winning wines.
